How to Read this Chart: Locate the time and day of your class within the bolded lines. Once you've located the block, move up the column to determine the date, return to the block and move left along the row to find the time.

For example: COMM 225 meets MWF 9:10 - 10:100 a.m. This block is in the 5th column and 2nd row of the chart. Therefore, the scheduled final examination for this class is Wednesday, December 9, at 2:00 p.m. The exam is taken in the same classroom in which you met all term. Examinations for courses offered online should conform to this schedule.

Faculty Note:

Grades are due Sunday, December 13 to the Registrar's Office.
