How to Read this Chart: Locate the time and day of your class within the bolded lines. Once you've located the block, move up the column to determine the date, return to the block and move left along the row to find the time.

For example: CMPS 260 meets T/Th from 8:50-10:20 a.m. This block is in the 3rd column and 3rd row of the chart. Therefore, the scheduled final examination for this class is Friday, May 12, at 7:00 p.m. The exam is taken in the same classroom in which you met all term.
