No senior is residential but part-time in their final term.

* One class of 2027 student was incorrectly coded as a sophomore residential student when they are studying abroad in London. I corrected the data on this report as the data has been changed. It is incorrect in the Census data.

** Horizon numbers include 7 seniors - these 7 seniors are NOT in the Senior (2025) total. Horizon numbers include 4 students who are Horizon students per the census rate title data, but were not identified as Horizon students according to the census admit type data.

*** Census data incorrectly reflects 3 additional Special Graduate P/T Day students. Those students are employees taking undergraduate classes and should be classified as undergraduate non-degree seeking students. The data has been corrected in this report and will be corrected in the database.

**** IPEDS requires reporting of students in the process of completing the graduate thesis. Hollins does not require paid registration for these students.
