How to Read this Chart: Locate the time and day of your class within the bolded lines. Once you've located the block, move up the column to determine the date, return to the block and move left along the row to find the time.

For example: If your class meets T/Th from 10:30 a.m. to Noon, this time slot is in the 3rd column and 2nd row of the chart. Therefore, the scheduled final examination for this class is Sunday, May 11, at 2:00 p.m. The exam is held in the same classroom in which you met all term.
